

# **Bajaj Electricals bags major sports lighting order**

Jul 05, 2005 , Press Release

National Games Secretariat of Assam have entrusted Bajaj Electricals with the work of illumination of the various stadia for upcoming National Games 2005 to be held at Guwahati on turn-key basis.

The value of the order is Rs. 82 Million and the stadia to be illuminated are Outdoor Football cum Athletics and 3 nos. Multi-purpose Indoor stadia, in which games such as table tennis, badminton, basket ball, volleyball, Boxing, Gymnastics, etc can be played. The whole illumination system will conform to International standards and suitable for colour TV transmission. Facility will also be provided for selective switching for National level and Practice level events.

This order is a testimony to Bajaj Electricals proven expertise, experience and capability for execution of similar projects in the field of Sports lighting. Bajaj have already completed illumination project for National Games 2002 held at Hyderabad in addition to other Sports lighting projects in the Country.
