The outbreak of COVID-19 globally and in India has caused significant disturbances and slow-down of economic activity. The Company's operations have also been impacted in the months of March 2020, April 2020 and May 2020 due to temporary suspension of manufacturing facilities, sales and distribution and execution of EPC contracts following

nationwide lockdown announced by the Government of India in view of COVID-19. However, post the permission for operations of certain activities by the Government of India in non-containment zones, the Company has resumed operations at its manufacturing units at Chakan and Ranjangaon, branches, and at all warehouses across the country. Most of the Company's EPC sites are also operational now. Further, the Company has adequate financial cushion to take care of requirement of funds.

**Mr. Shekhar Bajaj, Chairman and Managing Director of Bajaj Electricals Limited,** said "This has been a quarter amidst unprecedented times. We have focused on controlling short term impact while continuing to work towards our long term strategic goals. Our Consumer Products business has shown signs of strong recovery in the latter half of this quarter, thus delivering a positive segment-level EBIT. Our EPC segment has been adversely affected due to hold up of project execution and billings and incurred a loss. Nonetheless, we have maintained our strong focus on cashflows from operations in this quarter too, generating a healthy Rs. 145 Cr., thereby further reducing our debt significantly."

The order book as on 1<sup>st</sup> July, 2020 stands at Rs. 1,595 Cr., comprising of Rs. 624 Cr. for Transmission Line Towers, Rs. 764 Cr. for Power Distribution, and Rs. 207 Cr. for Illumination Projects.
